2300
Is page advance request received?
2302
Yes
No
2306
Determine sequential display order for plurality of data display pages (DDPs)
2308
Cause display to advance to DDP that is next in sequential display order after DDP that is displayed prior to advance
Is subpage advance request received?
2304
No
Yes
2310
Determine sequential subpage display order for plurality of subpages
2312
Cause display to advance to data display subpage that is next in sequential display order after data display subpage that is displayed prior to advance
