TRY A COLLABORATION
Welcome to Workshare Synergy "Try a Collaboration". This document will take you through the workflow of Document Change Management using one Managing Author (You), and three Internal contributors (Victoria, Michael and YOU)
This will give you the opportunity to see how Workshare Synergy can be used and the features available to manage the document changes to the internal contributions in a step-by-step document collaboration environment.
Note: You may wish to print this document to enable you to easily follow the instructions
