TRY·A·COLLABORATION¶
Welcome to Workshare Synergy "Try a Collaboration". This document will take you through the workflow of Docu
Change Management using one Managing Author (You), and three Internal contributors (Victoria, Michael and YO
This will give you the opportunity to WE WILL see how Workshare Synergy can be used and the features availat
manage the document changes to the internal contributions in a step-by-step document collaboration environment
Note: You may wish to print this document to enable you to easily follow the instructions¶
Setting the Scene¶
As the Managing Author, you have produced this document in Microsoft Word and saved it within your Docu
Management System or on a shared network drive. The internal contributors have been informed of the docum
location for contribution. You are now viewing the document in Manager Mode with the contributions already rec
from 2 internal contributors ¶
